To Our Volunteers:

On June 23<sup>rd</sup> and 24<sup>th</sup>, Rainbow Ridge Ranch hosted the Silver and Gold level Dressage competitions. This was a large undertaking and we are very pleased to announce that it was very successful. We have been receiving emails praising the site, the friendly atmosphere, the excellent facilities and the smoothness with which the two days went. Even a temporary glitch in the printing system did not cause a noticeable disruption. The credit for the success of this weekend rests on the shoulders of the many volunteers who worked so hard to make everything work. We cannot thank you enough. None of this would have been possible without your efforts.

There is a saying that exemplifies this. In order to have a well run event, it has to look like a duck on a pond. On the surface everything looks effortless but underneath, the legs are paddling like mad! Thank you all so much for being the legs that made our two days run so well!
